

Ryan S. Ponsford

YOUR SPEAKER & GUEST

Changing the hearts and minds of those who give

With 20 years in the business, non-profit, and financial industries, Ryan Ponsford has learned a few things about wealth creation, giving, and general life and business principles.

Ryan has been recognized as a thought leader and innovator in multi-generational wealth strategies as well as using philanthropy as a tool to prepare and inspire generations of leaders. Intertwining stories of his upbringing with his Grandmother's elephant, Akili, Ryan has been a guest for hundreds of interviews, has given speeches, taught courses, chaired events, and facilitated board and family retreats throughout the United States and Canada.

He is the Founder of several companies including Akili Capital, Gateway for Good, and Main Street Philanthropy, a 501(c)3 public charity that teaches life and business skills through giving to youth across the country.

In addition to multiple industry awards and certifications, Ryan plays guitar in a band, sings in a quartet, coaches several of his kids' sports teams, loves white boards, and having grown up in Sonoma County, has a small affinity for decent wines.
